

# PRODUCT IDEA: RIDDLE RALLY THROUGH THE CITY OF MUSIC

**KUONI** DESTINATION MANAGEMENT

Explore the city of music in a different way and experience Vienna through a team-building activity. Discover hidden locations, learn about the long history and test yourself with the spoken language. Enjoy the architecture of the city, from impressing historical sites of former days to very modern buildings of our age. Waltz to the music of Strauss or sing the well-known Blue Danube Waltz.

At the end of this exciting tour, experience the atmosphere of the traditional Coffee House with a cup of coffee "Melange" and a "Topfengolatsche".

## THE ITINERARY IN DETAIL

Guests are encouraged to explore the old city of Vienna and to complete the given assignments in a relaxed way. The Riddle Rally will start at a central place close to the inner city. There, all information and hand-outs will be given to the participants in order to guarantee an outstanding event. Then, guests are invited to experience the city and to answer the questions or complete the tasks listed on the questionnaire. During the Riddle Rally our guides will be happy to assist the guests.

For the winner or the winning team we recommend an award ceremony during the dinner.

## GENERAL CONDITIONS

Our project manager will organise and co-ordinate the Riddle Rally as well as the procedure in order to guarantee a smooth and impressive activity.

Depending on the numbers of participants and small groups, the event will take about two to three hours. On the route, our guides will gladly assist the participants.
