Entertainment - Circus Phare Ponleu Selpak

Circus at its finest

Enjoy a special kind of entertainment: The amazing, talented and unexpected circus show from Battambang will take your breath away and for sure leave a mark.

For the past 11 years, the circus school has welcomed kids and teenagers to train all day long in several circus disciplines: acrobatics, juggling, balancing, contortion, trapeze and clowning. Twenty of those kids are now young adults who have become outstanding professional artists performing in Cambodia and all around the world.

It all began in 1986 when a drawing workshop opened its doors to children living in Site 2 refugee camp's orphanage, on the Thai border. In 1994, Phare Ponleu Selpak is born and develops its activities and expands its field of action to include the opening of a local library, music classes, a community centre and lastly, a circus training school in 1998.

Since few years, Asian Trails has decided to support and to become the partner of Phare Ponleu Selpak, a non

profitable association with the aim to give the opportunity to young Khmer children from poor or disabled families to have access to the Culture.

Guests will enjoy one hour show with different talents performing acrobatics, balancing, trapeze, juggling, rolla bolla, magic, clowning... on a high professional level.

Enjoy a succulent dinner evening with a show from Phare Ponleu Selpak. An experience not to be missed!
