### *Wine tasting at Château de Bellet*

#### **Wine tasting experience**

The French Riviera is blessed with a beautiful climate and long hours of sunshine all around the year.

These are excellent conditions for the vineyards & the wine making industry. Wine is an essential ingredient of the French Art de Vivre!

You will have the unique opportunity to visit the historical vineyards of Bellet which are granted status AOC (Appellation d' Origine Contrôlée).

The Château de Bellet is the residence of the Barons de Bellet and it has preserved its winemaking tradition for centuries.

This is an exclusive tour that we have created for repeater guests who are looking for new ideas & itineraries that embody the true spirit of a country or region.

Tour summary:

Depart Nice/Villefranche for approx 45 min. drive to Chateau de Bellet. A wine expert will accompany you on a guided tour of the Château & its wine cellars. He will reveal you some secrets of traditional wine making & introduce you to the enjoyable art of French Wine Tasting! Free time to browse around and shop for wine. Return to Nice/Villefranche with optional panoramic drive along the Promenade des Anglais.

The Château de Bellet is proud of its centuries of winemaking tradition. Its historical vineyards are considered amongst the most prestigious in this area and they have always been grown and promoted by local owners, who support a wine making production in respect to their territory, traditions and high quality. Nowadays Bellet wines are exported & appreciated all over the world. Wine Tasting will take place under the 19<sup>th</sup> century painted ceilings of the State Room with the commentary of a local wine expert who will propose three different types of locally produce wines accompanied by traditional snacks made of olives, bacon or nuts.
