

## *Wimbledon 2010* *The most prestigious tennis tournament in the world*

**The Championships 2010**  
Wimbledon is the oldest tennis tournament in the world and is generally considered the most prestigious. It has been held at the All England Club in the London suburb of Wimbledon since 1877.

It is one of the four Grand Slam tennis tournaments, and the only one still played on the game's original surface, grass, which gave the game of lawn tennis its name.

"Debenture" tickets are the only Wimbledon tickets which may be transferred or purchased legally for this coveted Grand Slam event. All other Wimbledon tickets must be used by the original applicant.

In 2010, Centre Court Wimbledon ticket holders will benefit from a retractable roof, ensuring maximum play, even in the rain! There are also five newly developed restaurant and bar areas exclusively for the use of Centre Court debenture ticket holders, built into the Centre Court complex.
