## *Mystery in the Slovak Alps Themed Trip*

### **Slovak Alps**

Welcome to the High Tatras, welcome to the most beautiful Slovak mountains.

This highly frequented range of mountains, which form the highest point in the 1500 kilometres long Carpathian arc, is the pride of the Slovak landscape. This National Park with its long, forested valleys and sunny southern slopes is enriched by a magnificent panorama. Mountain tarns and waterfalls, rare flora and fauna are a part of this beautiful alpine mountain range with a pleasant climate. An ideal destination for nature lovers.

An adventure into the highest point of this mountain range the "Tatras" starts with the traditional Slovak welcome: bread & salt. A fascinating ride on the "Tatra" panoramic train is followed by a visit to a typical sheep farm. Guests can watch the milk maid prepare some of the specially made cheese delicacies. Have your picture taken with a real bear and get robbed by the Slovak "King of Thieves". All your valuables will be returned to you during a get-together in the evening. Enjoy original Slovak cuisine in a wooden cottage, while Folklore music and a presentation of traditional dances accompany you.
